Subject: invitation to business leaders' roundtable

Hi friends,

This is what we'd like to send out. Please approve:

Dear Mr./Ms. XX,

On behalf of Chargé d'Affaires Ex. 6 - Personal Privacy, I would like to invite you to join a roundtable discussion with U.S. Environmental Protection Agency Administrator Scott Pruitt on Thursday June 8, 10:30-12:00pm. Administrator Pruitt is interested in discussing Environmental Innovation with a select group of high-level business leaders. The roundtable will take place in a no-press, Chatham House Rules format at the U.S. Embassy in Rome, Via Sallustiana 49.

We hope that you can join us for this program. Please send your RSVP to Kira Migliorini at Kira.Migliorini@trade.gov.

*With best regards,
Todd Avery*

(Todd is on vacation -- he's the Senior Commercial attaché. Thanks!)

Importance: High

Ex. 6 - Personal Privacy -- As promised, here is the latest version of the draft schedule (now version #11) which we hope reflects all of the changes that have occurred since the last version (#10) was circulated.

Please note that, for now, I am only sharing this with you (vs. the larger group) as Mark is traveling and has not yet had a chance to review it. But we hope that we will be able to share it more widely very soon, and certainly before our next planning call on Wednesday.

You'll see that we have left placeholders for locations, etc. and we would welcome your continued input to fill in those blanks as information is confirmed. Of course, if you notice anything else that needs updating, please don't hesitate to let us know.

Thanks and regards,
Anna

Hi friends!

Our Charge highlighted an older schedule, and I just sent this version back with updates to her (biz roundtable later in the a.m. and on Thursday, no federalism interlocutor, etc.)

Commerce will sent "save the date" to the biz roundtable peeps. What is the Administrator's ideal number of businesses for this encounter?

Many thanks, [REDACTED] Ex. 6 - Personal Privacy

Hi [REDACTED] Ex. 6 - Personal Privacy

This schedule is still in flux. What I did was take Kelly's highlighted wishes from the May 6 schedule, and highlight the events with the new dates/times.
